

Blue Umbrella

Ed Bruce

Feelings are strange especially when they come true
And I had a feeling you'd be leaving soon
So I tried to rearrange all my emotions
But it seems the same no matter what I do

Blue umbrella rest upon my shoulder
And hides the pain while the rain makes up my mind
For my feet are wet from thinking this thing over
And it's been so long since I felt the warm sunshine

Just give me one good reason and I promise I won't ask you any
more
Just give me one extra season so I can figure out the other four

Day time makes me wonder why you left me
Night time makes me wonder what I said
The next time are the words I'd like to plan on
But last time was the only thing you said

Blue umbrella rest upon my shoulder
And hides the pain while the rain makes up my mind
For my feet are wet from thinking this thing over
And it's been so long since I felt the warm sunshine

Just give me one good reason and I promise I won't ask you any
more
Just give me one extra season so I can figure out the other four
