

Weak Heart

Ed Prosek

The air was still when we first met
And she held my gaze and I held my breath with all my mind
It felt like hours or maybe days
But when I close my eyes I see her face
I see her face, yeah

And it made me ill to look away
And it hurts me still, 'cause there's so much I'd like to say
But I lose my nerve when it comes to giving you the love
That you deserve, so take my weak heart
Oh, take my weak heart
And tie it to yours

So if I fall, I fall for her
And she don't know
That I think she's beautiful 'cause I always choke
And the right words come out all wrong
But I swear I love you, I'm sorry it took so long
But to tell you, to tell you this

And they're only words, they mean so much
And I'm always scared that I'll make things worse
If it's all it takes is letting go
When you are sure of everything
Take me weak heart
And tie it to yours

So if I fall, I fall for her
And she don't know
That I think she's beautiful 'cause I always choke
And the right words come out all wrong
But I swear I love you, I'm sorry it took so long
Oh, to tell you this
