

## {Billy Ruskin}

Ed Sheeran

Mr Ruskin come and paint my picture  
We're losing sleep 'cos we steal the week  
Now who's your best friend?  
Can you introduce me?  
See I can't seem to even let you breathe

When I dance with Billy Ruskin in my mind's eye  
Please let me forget that I'm standing on my own  
And I am my own best friend and I need me to see  
That I am more than what is hiding in me

Come and show me if you can  
See I know you're me  
But I can't seem to understand  
If you know me, place my hand on mine  
And we will resurrect the time  
That we lost when you left my mind  
It's psycho-paranoia disappearing in time  
Come and show me what makes you tick  
I need you to get out of my mind quick

When I dance with Billy Ruskin in my mind's eye  
Please let me forget that I'm standing on my own  
And I am my own best friend and I need me to see  
That I am more than what is hiding in me
