

Take me with you I do declare  
I love you dearly through here and there  
What can I do to make you share?  
What can I do to make you care?

The world is harsh  
I'm stuck in the dark  
I'll make my mark  
I've got my spark

We'd be together through bad or worse  
Sending letters we shall converse  
We could do better but we must first  
Make amends  
That depends  
Will you be my friend?

The world is harsh  
I'm stuck in the dark  
I'll make my mark  
I've got my spark
