

# The Hills Of Aberfeldy

Ed Sheeran

Oh, leaves are covered in snow  
And the water's frozen  
Oh, I long for you to be the one that I'm holding  
And warm me down to my bones  
As you lay beside me, hold me close

Oh, leaves are starting to fall  
And the sun grows cold  
And my heart might break from the weight of it all  
For all that I know, you could be holding somebody else as close

When I'm home, I'll hold you like I'm supposed to  
Yet I know that I have never told you  
Darling, we could fall in love  
'Neath the hills of Aberfeldy

Oh, the ground is slowly melting  
And the sun beats strong  
And I feel like my feet may have wandered too long  
And I will remain here alone  
'Cause I fear that you may have found someone

When I'm home, I'll hold you like I'm supposed to  
Yet I know that I have never told you  
Darling, we could fall in love  
'Neath the hills of Aberfeldy  
Darling, we could fall in love  
'Neath the hills of Aberfeldy

Wherever I go, I will always find  
Another stranger to share in the weight of my crimes  
And I know you will never find  
Another heart that wants you more than mine
