

Two Different Worlds

Ed Sheeran

I live in two different worlds
Like lots of other boys and girls
One's at home with my family and the other's school
Where I learn all that I can be

I live in two different worlds
I live in two different worlds
In home I can speak whenever I please
I can talk real loud and shoot the breeze
At school I raise my hand in the air
When there's something that I want to share

At ho-o-o-o-o-me we go
At schoo-o-o-o-o-l we go
At ho-o-o-o-o-me we go
At schoo-o-o-o-o-l we go

I live in two different worlds
I live in two different worlds
At home I can sit here and there
In the couch, my bed or easy chair
In school I have a special place
It's my desk, and that's my learning space

At ho-o-o-o-o-me we go
At schoo-o-o-o-o-l we go
At ho-o-o-o-o-me we go
At schoo-o-o-o-o-l we go

I live in two different worlds
I live in two different worlds
School's got more rules
Because learning is a goal
Learning takes focus, so you need self control
In home I move wherever I like
I can run around and ride my bike
In school we have a different way
We stand in line everyday

At ho-o-o-o-o-me we go
At schoo-o-o-o-o-l we go
At ho-o-o-o-o-me we go
At schoo-o-o-o-o-l we go

I live in two different worlds
I live in two different worlds
Home and school are two different worlds
Two awesome worlds
