

## Visiting Hours

Ed Sheeran

I wish that heaven  
Had visiting hours  
So I just could show up  
And bring good news  
That she's getting older  
And I wish that you'd met her  
The things that she'll learn from me  
I got them all from you

Can we just talk a while  
and we'll put all the world to rights?  
The little ones will grow  
and I'll still drink your favourite wine  
And soon, they're going to close,  
but I'll see you another day  
So much has changed since you've been away

Well, I wish that heaven  
Had visiting hours  
So I could just swing by  
And ask your advice  
What would you do in my situation?  
I haven't a clue how I'd even raise them  
What would you do?  
'Cause you always do what's right

Can we just talk a while until my worries disappear?  
I'd tell you that I'm scared of turning out a failure  
He'd say, "Remember that the answer's in the love that we create"  
So much has changed since you've been away

I wish that heaven  
Had visiting hours  
And I would ask them  
If I could take you home  
But I know what they'd say  
That it's for the best  
So I would live life the way you told me  
And make it on my own

And I will close the door,  
but I will open up my heart  
And everyone I love will know exactly who you are  
'Cause this is not goodbye,  
it is just 'til we meet again  
So much has changed since you've been away
