

Edinah  
You're a diamond star  
Edinah  
Big big stuff  
Edinah  
Your life in another time  
Wouldn't be messed up  
Edinah  
Go whistle and I'll come  
Edinah  
Every time you ask  
Edinah  
Your light at Mother time  
Would be shine enough  
When the flop falls  
Royals not mine  
I folded my cards  
Just in time  
Here and now  
Is it any wonder  
When you're pushing time  
Take love and make it last  
When the flop falls  
Royals in line  
I folded my cards  
Just in time  
Here and now is it any wonder  
When you're pushed for time  
You take love and make it last  
Edinah  
Is it any wonder you take love and you make it last.
