

# I Won't Stand In Your Way

Eddi Reader

You're growing up  
You drop my hand  
Before I knew it  
You could stand  
I find it hard the letting go  
But there's one thing I know

I won't stand in your way  
To go out tonight, see all the lights  
I couldn't stand it if you stayed  
and missed out tonight so go out tonight

You find friends that you can call  
When you need someone to lean on  
The finest friends a man deserves  
And that's one thing I've learned

I won't stand in your way  
So go out tonight, see all the lights  
I couldn't stand it if you stayed  
and missed out tonight so go out tonight

I understand the things you need  
And the world you'd like to see  
I only want you to be free

I won't stand in your way  
So go out tonight, see all the lights  
I couldn't stand it if you stayed  
and missed out tonight so go out tonight

See all the lights  
See all the lights
