

# Red Face Big Sky

Eddi Reader

Let's go walking to the edge of here  
Let's go find the big sea  
Maybe the sky will fall on us  
But I've got your name  
In my mouth like {wildfire}  
Ah it's just like {wildfire}

All the things you said  
Make my face turn red  
Each time someone somewhere  
Stops to weep  
There's someone somewhere  
Starts it's like {wildfire}  
Just like {wildfire}  
Wildfire  
Wi..., wi..., ah-ee-ah  
Wildfire

In between the nothing that there is  
You walk into my life  
Friend or foe the knife that cuts  
Or sun that burns me white

Ah-hah

Shall we run or will we stumble  
Will we touch or fumble  
Look I'm Joan of Arc and I'm mumbling  
{love me} oh burn me, burn me  
{love me} oh-oh  
{love me} ooh, burn me, burn me, oh-oh  
{wildfire} hah-ah-ah  
{wildfire} just like  
{wildfire} ooh  
Wildfire  
{wildfire} oo-ee  
{wildfire} oh  
{wildfire} ah  
{wildfire} oh  
[etc.]  
Shall we run or stumble
