That wife she sees too well what can come between us
Amazing grace, knows us all, and thinks we should find Jesus

Sarasota

His angel heart and kittiwake, love sick in the eve
Curious me and Mary Jane and anarchy that’s me

It’s five in the morning and we should say goodnight
Sarasota

To feed upon the scattered crumbs
To find a soul we’ll stay up late
And come to hate the other ones

Brown-eyed bad guy wants to get it off his chest
Do I regret what I did? – to some extent, yes

It’s five in the morning and we should say goodnight
Sarasota

Valentines come flying in
To feed upon the scattered crumbs
To find a soul we’ll stay up late
And come to hate the other ones
Don’t you agree?

It’s five in the morning and we should say goodnight
