

## Should I Pray?

Eddi Reader

Should I pray?  
Is it safe?  
Put my faith in rewards  
Somewhere a lifetime away?

Lose all of my friends to these prayers?  
Lose the rest of my life to these prayers?  
It don't look safe  
To have faith

Am I talking to myself in these prayers?  
Or will it lead me somewhere in death?  
It don't look safe  
To have faith

Should I pray? Is it safe?  
Lose a life, lose a love  
lose it all my friend.
