I Can't Wait

Eddie Cochran

I'm a-waitin' around, nothin' to do Lookin' at your picture, thinkin' of you Spinnin' like wheels, waitin' for a date Wonderin' how I'll make it till tonight at eight 'Cause I can't wait, till I get you in my arms tonight I can't wait, till you tell me that my kiss is right I can't wait, 'cause I need your love so bad

You're the livin' end, you're the golden rule I been a-diggin' your style, it's nothin' but cool I'm a twiddlin' my thumbs, blowin' my top Baby you're the only one can make me stop 'Cause I can't wait, till I get you in my arms tonight I can't wait, till you tell me that my kiss is right I can't wait, 'cause I need your love so bad

The clock's strikin' five, three hours to go I wonder if you're home, I'd sure like to know I'm nervous as a cat, lookin' for a mouse Maybe I'll see you if I walk by your house 'Cause I can't wait, till I get you in my arms tonight I can't wait, till you tell me that my kiss is right I can't wait, 'cause I need your love so bad

I'm a hurryin' baby, I'm a hurryin' baby I just gotta see ya, oh baby I love you baby, I wanna see more of you
