

I'm Sending You This Record

Eddie Cochran

I'm sending you this record, please listen to it carefully
The words are sayin' darling, I love you
It looks like any other record, but it says oh-so easily
The things that I can't say when I'm with you
I spent all last week and the week before
Down at the neighbourhood record store
I've listened to a thousand tunes or more
Till I found the one I was searchin' for
So I'm sending you this record, please listen to it carefully
The words are sayin' darling, I love you
