

# Can't Help What I Am

Eddie Kendricks

Huh-huh huh-huh  
Hoo-hoo-hoo-hoo  
Huh-huh huh-huh  
Hoo-hoo-hoo-hoo  
Huh-huh huh-huh

I can't help it, what I am  
Can't help it, what I do  
I can't help it, what I am (Baby)  
I'm still in love with you (With you)

I believe  
Somewhere there's someone  
So much bigger than me  
And he's controlling the earth and the sun  
And each way, gotta take  
Smallest little step  
Every move I make  
Darling, girl, it's by his hands, baby  
It's by his plans

That's why, can't help it, what I am (Can't help it)  
Can't help it, what I do  
I can't help it, what I am  
I'm still in love with you (I believe)

I do foolish things  
Like puppets in a kid show  
See how they dance at the end of strings  
Never knowing which way to go  
Hands go left, feet go right  
Everybody laughs at the funny, funny sight  
Girl, I just cry when I see  
They're so very much like me

That's why, can't help it, what I am (Can't help it)  
Can't help it, what I do  
Can't help it, what I am  
I'm still in love with you

Oh, time and time, I've tried  
Not to play this part  
But there's a small voice deep inside me  
Ruling my poor heart

That's why, can't help it, what I am (Can't help it)  
(Can't help it, what I do)  
(Oh, baby)  
(I'm still in love with you)

I can't help it, what I am (Can't help it)  
Can't help it, what I do  
I can't help it, what I am (Oh, baby)  
'Cause I'm still in love with you

Can't help it, what I am (Can't help it)  
Can't help it, what I do

Can't help it, what I am (Oh, baby)  
'Cause I'm still, still, still in love with you

(Can't help it) Try to understand it, girl, I can't help it  
(Can't help it, what I do) Don't matter how I fight it  
Girl, I just can't help it (Oh, baby)  
What I am  
I'm still in love with you

(Can't help it) Try to understand it, girl, I can't help it  
(Can't help it, what I do) Won't matter how I fight it  
Girl, I just can't help it (Oh, baby)  
What I am  
I'm still in love, love, love, love, love with you, baby

(Can't help it)
