

# Girl Of My Dreams

Eddie Kendricks

Have I dreamed  
Or am I just imagining those eyes  
If I wake will she fly away, far away from my life  
Or will she turn to me, reach for me

Could she be just a girl of my dreams?  
Could my thoughts make me cry tears of joy?  
Could they walk so softly by my bed?  
Did I feel her, and taste her lips?

All of this is in my head  
If she's my unreal girl  
Oh real world don't disturb  
The sweet girl of my dreams, girl of my dreams

If she's my unreal girl  
Oh real world don't disturb  
The sweet girl of my dreams, girl of my dreams  
Girl of my dreams, girl of my dreams
