Something's Burning

Eddie Kendricks

You lie in gentle sleep beside me
I hear your warm and rhythmic breathing
I take your hand and hold it tightly
Listen
Can you not hear our young hearts beating
I kiss the sleep from your eyes
Your smile is sweeter than the morning
Here it comes
Can you feel it Baby
Can you feel it
Here comes
Feel it
Feel it
Fire
Fire
Something's Burning
Something's Burning
Something's Burning
Something's Burning
And I think it's love
And now the sun is burning brightly
We lie in love so close together
I get the feeling deep inside me

My love for you will burn forever
I cup my hands to touch your face
Once again I feel your fire
Here it comes
Can't you feel it Baby
Can't you feel it
Here comes
Feel it
Feel it
Fire
Fire
Something's Burning
Something's Burning
Something's Burning
Something's Burning I think it's love
I believe it's love
I believe it's love
I believe it's love
I believe it's love
I believe it's love
Feel it
Something's burning
I can feel the fire
Yeah, yeah
Something's burning
I can feel the fire
And I think it's love
