

# Sweet Tenderoni

Eddie Kendricks

According to a recent survey  
There's five women to every man  
Sprung up like the tree of life  
All over the land (all over the land)  
Each one, they look so fine  
I wish they all were mine  
Struttin' around with their heads up high  
Trying to catch the fellas' eyes

Feel like there was blooming in the spring  
Showing everything, makes my heart wanna sing

Sweet tenderoni (sweet, sweet, sweet tenderoni)  
A man should never be lonely  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
Girl, if I could only  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
I've got my eye, I've got my eye on you, oh you

Can't wait to get off work  
To see those girls in those sexy skirts  
Some people wearin' those tight blue jeans  
They're fitting them to a T  
Oh, how they tantalize in every shape and size  
Sometimes I have to close my eyes  
When I see them walking by

Watching girls is all I love to do  
They wouldn't do the things they do  
If they were watching too

Sweet tenderoni (sweet, sweet, sweet tenderoni)  
A man should never be lonely  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
Girl, if I could only  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
I've got my eye, I've got my eye on you, oh you

Yeah, watching girls is all I love to do  
They wouldn't do the things they do  
If they were watching too

Sweet tenderoni (sweet, sweet, sweet tenderoni)  
A man should never be lonely  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
Girl, if I could only  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
I've got my eye, I've got my eye on you, oh you  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
I should never be lonely  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
Girl, if I could only  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
I've got my eye, I've got my eye on you, oh you  
Sweet tenderoni (sweet, sweet, sweet tenderoni)  
A man should never be lonely  
Sweet tenderoni (sweet, sweet, sweet tenderoni)

Stop the teasin'... sure look pleasin'...  
Sweet tenderoni  
Stop the teasin'... won't you start pleasin'...  
Sweet tenderoni, love you only

(Sweet, sweet, sweet tenderoni) sweet tenderoni  
(Sweet, sweet, sweet tenderoni) don't wanna be lonely  
(Sweet, sweet, sweet tenderoni) sweet tenderoni  
(Sweet, sweet, sweet tenderoni) come on and love me only  
(Sweet, sweet, sweet tenderoni)  
(Sweet, sweet, sweet tenderoni)
