

Confused

Eddie Murphy

People come and people go
But there's one thing I surely know
It's everyone is so confused

They wash your mind so you don't know
And give you bread for passing go
You play the game you just can't lose

And it's a shame we don't know
We're gonna keep passing go
And we're all so
C-O-N confused
And when it's our time to go
The lines on our faces show
That we were
C-O-N confused
If I look deep in your eyes
You know it's not a surprise
To see you're
C-O-N confused
Don't be afraid, little girl
Because the entire world is so damn
Con, con, con, con, con, con, con, con, con

C-O-N confused (C-O-N confused)
C-O-N confused (C-O-N confused)
C-O-N confused (C-O-N confused)
C-O-N confused (C-O-N confused)

People livin', people dyin'
People laughin', people cryin'
And everyone is so confused

I've listened and I've watched with eyes
And I've observed the question why
Is very, very often used

And it's a shame we don't know
We're gonna keep passing go
And we're all so
C-O-N confused
And when it's our time to go
The lines on our faces show
That we were
Con, con, con, con, con, con, con, con, con
If I look deep in your eyes
You know it's not a surprise
To see you're
C-O-N confused
Don't be afraid, little girl
Because the entire world is so damn
Con, con, con, con, con, con, con, con, con

C-O-N confused (C-O-N confused)
C-O-N confused (C-O-N confused)
C-O-N confused (C-O-N confused)
C-O-N confused (C-O-N confused)

Yeah

(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
(C-O-N confused)
