Enough Is Enough

Eddie Murphy

It's raining, it's pouring
My lovelife is boring me to tears, after all these years

No sunshine, no moonlight, no stardust, no sign of romance
We don't stand a chance

I've always dreamed I found the perfect lover
But he turned out to be like every other man

Raining (raining)
Pouring (pouring)
There's nothing left for us here
And we won't waist another tear

If you've had enough, don't put up with his stuff, don't you do it

If you've had your fill, get the check pay the bill, you can do it

Tell him to just get out

Nothing left to talk about

Pack his raincoat show him out

Just look him in the eye and simply shout:
Enough is enough
I can't go on, I can't go on no more no
Enough is enough
I want him out, I want him out that door now

Enough is enough
Enough is enough
That's enough

If you've reached the end
Don't pretend that is right when it's over

(it's over)
If the feeling is gone don't think twice just move on, get it over

(over, over)

Tell him to just get out, say it clearly, spell it out:
Enough is enough is enough
I can't go on, I can't go on no more no
Enough is enough is enough
I want him out, I want him out that door now

Enough is enough
Enough is enough
That's enough

I've always dreamed to find the perfect lover
But he turns out to be like every other man
Our love (I had no choice from the start)
Our love (I've gotta listen to my heart)

Our love (tearing us apart)
Enough is enough is enough
I can't go on, I can't go on no more no
Enough is enough is enough
I want him out, I want him out that door now

Enough is enough
Enough is enough
That's enough

No more tears (no more tears)
No more tears (no more tears)
No more tears (no more tears)
No more tears (no more tears)
Enough is enough is enough is enough is enough is enough
I've had it, you've had it, he's had it, we've had is

I always dreamed I find the perfect lover

But he turned out to be like every other man

I had no choice from the start
I've gotta listen to my heart
Tearing us apart

Enough is enough is enough
I can't go on, I can't go on no more no
Enough is enough is enough
I want him out, I want him out that door now

Goodbye mister, goodbye, goodbye mister
Goodbye sugar

It's raining, it's pouring
There's nothing left for us here
And we won't waist another tear

No more tears
Is enough is enough is enough is enough is enough is enough is enough
Is enough!
