

Till the Money's Gone

Eddie Murphy

Hey, baby, come here a minute
Girl, you 'bout to spend up all my money
No look, you done messed my credit cards and everything
Will you look at this? Baby?
Ow, baby, yeah, baby
Well how much money do you think I have?
Well ah—evidently not as much as you think
Oh I used to have lots of money 'fore I met you
Baby, let me tell you somethin'

My bank account is crazy
I think you know it's true
I've put away a coin or two
A mansion on the east coast
And on the west one too, yeah
So baby, what you wanna do
Girl, what could I do? (Huh!)
I'd spend my all on you, yeah, ah, come on
Girl, what should I do? (Huh!)
To get my hands on you, yeah, yeah, yeah

Say we're gonna party 'til the mornin'
And dance till the break of dawn, I know you know, yeah (Dance!)
And we're gonna jam this evenin'
Oh, till the money's gone, until the money's gone, woo!

Until the money's gone
You gone be dancin' a long time, baby
Until the money's gone, baby, yeah-yeah
Until the money's gone

Sit down, baby, I ain't finished talkin' to you

Until my pockets empty
Until my cash is through
Until my credit's black and blue, yeah
Until I'm broke and hungry
And I don't know what to do
I get by on the love we'll do

Say we're gonna party 'til the mornin'
And dance till the break of dawn, yeah, dance (Dance!)
And we're gonna jam this evenin'
Oh, till the money's gone, until the money's gone, woo!

Until the money's gone
Yeah, c'mon
Until the money's gone, baby, yeah-yeah
Until the money's gone
Everybody, everybody get up, a-c'mon, shake it out, come on
Woo, yeah
Until the money's gone
Shock it out
Hey, Buster, can your daughters come out and play? Woo!
Until the money's gone
Larry, bring me my wallet, yeah, whoa

What's that, you from uptown, you don't understand what I'm sayin'? (Yeah!)
Oh, you want me to kick it to you like your homegirl? (Yeah!)
You do? Oh, it's like that?
Well, check this out

Well, I'm everywhere just like a battery
And if you're body needs chargin', you can count on me
Well, I'm good, baby doll, I will never fail
And I'll rock your battery like a Duracell

K9 Posse's in the house
Ow, ooh-hoo, hoo, woo!
Yeah
Money, money-money-money
C'mon, everybody, get up
Band, the motherboard, rock steady
Tarpan Studios (Huh?)
What it look like? (We're good!)

We're gonna party 'til the mornin'
And dance till the break of dawn, yeah, yeah, yeah, c'mon (Dance!)
Yes we're gonna jam this evenin'
Oh, till the money's gone, till the money's, money's gone
Till the money's gone, yeah

Until the money's gone
Yeah
Until the money's gone
Until the money's gone
Money-money, money-money-money, yeah, baby
Until the money's gone, till the money's gone
Until the money's gone
Money-money-money, whoa baby, c'mon
Until the money's gone, till the money's gone
Until the money's gone
The money, money's gone, the money, money's gone, ooh-woo-ooh

Gimme my wallet
How much money I got in this wallet, Larry?
It's two dollars in my wallet?
Well, I'ma spend it on you, baby doll
Two dollars spend it, uh!
Woo! Ah yeah
Now I know I got three dollars I've been hidin' in my back pocket
For a rainy day, I'ma spend it on you, baby, c'mon
Woo
Are you impressed? No?
Fruity, I got four dollars in that jelly jar right there
I'ma spend it up on this lady here
My last four dollars, you ready, baby?
Woo! Uh!
Damn, woo, we done spent up all my money, baby
Hey, hey, where you goin'?
Oh, it's like that?
Okay, that's cool
That's alright, how much I got here, thirty-seven cents?
S-Somebody go out and get me a Milky Way
