

## Do You Right Tonight

Eddie Rabbitt

Maybe it's a man's world, but girls make it go 'round  
But I wouldn't give a nickel for my peace of ground if it  
Weren't for my lady standing on it, sweet and proud  
Come on, lady, love me now

'Cause I'm gonna do you right tonight  
Turn on your light tonight  
I'll be right back to ease your mind  
Honey, I'm gonna take my time  
I'm gonna do you right tonight

Oh, hazel-eyed lady, you got the softest hands  
You make me feel like I've got more than any man, and if you  
Give me the time, honey, I'll love you more  
Than anyone who came before

Then I'm gonna do you right tonight  
Turn on your light tonight  
I'll be right back to ease your mind  
Honey, I'm gonna take my time  
I'm gonna do you right tonight

Do you, do you right tonight  
Do you, do you right tonight  
I'll be right back to ease your mind  
Honey, I'm gonna take my time  
I'm gonna do you right tonight

Do you, do you right tonight  
Do you, do you right tonight  
I'll be right back to ease your mind  
Honey, I'm gonna take my time  
I'm gonna do you right tonight

Do you, do you right tonight  
Do you, do you right tonight  
I'll be right back to ease your mind  
Honey, I'm gonna take my time  
I'm gonna do you right tonight
