

## Early in the Mornin

Eddie Rabbitt

Early in the morning  
Middle of the afternoon  
Late in the evening, baby, that's when I think about you  
Early in the morning  
Middle of the afternoon  
Late in the evening, baby, that's when I think about you

I can't help it, baby, it happens every time we kiss  
My hands start tremblin' and my knees start knockin' and I feel  
like this  
A-something's burnin' deep inside, you know it's settin' my hea  
rt on fire  
It's gettin' stronger, lasts longer, every time I think of you  
And that's

Early in the morning  
Middle of the afternoon  
Late in the evening, baby, that's when I think about you  
Early in the morning  
Middle of the afternoon  
Late in the evening, baby, that's when I think about you

Adam said to Eve, "Hey, baby, where you been all my life?"  
I've been looking for a lover waiting to discover what I found  
tonight  
A-something's burnin' deep inside, you know it's settin' my hea  
rt on fire  
It's gettin' stronger, lasts longer, every time I think of you  
And that's

Early in the morning  
Middle of the afternoon  
Late in the evening, baby, that's when I think about you  
Early in the morning  
Middle of the afternoon  
Late in the evening, baby, that's when I think about you

Early in the morning  
Middle of the afternoon  
Late in the evening, baby, that's when I think about you  
A-one more  
Early in the morning  
Middle of the afternoon  
Late in the evening, baby, that's when I think about you
