

Eddie Vedder:

You are the hole in my head
I am the pain in your neck
You are the lump in my throat
I am the aching in your heart
We are tangled, we are stolen
We are...

Eddie Vedder & Corin Tucker:

... livin' where things are hidden

Corin Tucker:

You are Something in my eye
I am a shiver down your spine
You are on the lick of my lips
I am on the tip of your tongue

Eddie Vedder & Corin Tucker:

We are tangled, we are stolen
We are buried up to our necks in sand
We are luck, we are fate
We are the feeling you get in the Golden State
We are love, we are hate
We are the feeling I get when you walk away
Walk away

Eddie Vedder & Corin Tucker:

You are...

Eddie Vedder:

... the dream in my nightmare

Eddie Vedder & Corin Tucker:

I am that falling sensation
You are my needles and pins
I am your hangover morning
We are tangled, we are stolen
We are livin' where things are hidden
We are luck, we are fate
We are the feeling you get in the Golden State
We are love, we are hate
We are the feeling I get when you walk away
Walk away, walk away

Eddie Vedder: You are...

Eddie Vedder & Corin Tucker: ... the hole in my head...

Corin Tucker: You are...

Eddie Vedder & Corin Tucker: ... the pain in my neck...

Eddie Vedder: You are...

Eddie Vedder & Corin Tucker: ... the lump in my throat...

I am the aching in your heart...
