All my destinations will accept the one that's me

So I can breathe...

Circles they grow and they swallow people whole

Half their lives they say goodnight to wives they'll never know

A mind full of questions, and a teacher in my soul

And so it goes...

Don't come closer or I'll have to go

Holding me like gravity are places that pull

If ever there was someone to keep me at home

It would be you...

Everyone I come across, in cages they bought

They think of me and my wandering, but I'm never what they thought

I've got my indignation, but I'm pure in all my thoughts

I'm alive...

Wind in my hair, I feel part of everywhere

Underneath my being is a road that disappeared

Late at night I hear the trees, they're singing with the dead

Overhead...

Leave it to me as I find a way to be

Consider me a satellite, forever orbiting

I knew all the rules, but the rules did not know me
