

Can't Take My Eyes Off Of You

Eddy Arnold

You're just too good to be true can't take my eyes off of you
You'd be like heaven to touch I wanna hold you so much
And long last love has arrived and I thank God I'm alive
You're just too good to be true can't take my eyes off of you

Pardon the way that I stare is nothing else to compare
The sign of you usually weak there are no words left to speak
But if you feel like I feel please let me know that it's real
You're just too good to be true can't take my eyes off of you

I love you, baby, and if it's quite all right
I need you, baby, to warm your lonely night
I love you, baby, trust in me when I say
Oh pretty baby, don't bring me down I pray
Oh pretty baby, come on and find you stay
And let me love you, baby, let me love you
