

## Careless Love

Eddy Arnold

Love, oh love, oh careless love  
Love, oh love, oh careless love  
Oh love, oh love, oh careless love  
Oh, look what love has done to me

It's made me cry, it's made me moan  
It's made me cry, it's made me moan  
It's made me cry, it's made me moan  
It's made me leave my happy home

Sorrow's, sorrow's, in my heart  
Sorrow's, sorrow's, in my heart  
Sorrow's, sorrow's, in my heart  
Since my love and I did part

Now I wander all alone  
Now I wander all alone  
Now I wander all alone  
A thousand miles away from home

How I wish that trail would come  
How I wish that trail would come  
How I wish that trail would come  
To take me back where I come from

Love, oh love, oh careless love  
Love, oh love, oh careless love  
Oh love, oh love, oh careless love  
Oh, look what love has done to me...
