

# Chip Off The Old Block

Eddy Arnold

Le la, le la, le la loo  
I'm in love with you

My daddy is a great lover  
With big strong arms to hold  
His love is real, his love is strong  
And his heart's as good as gold

And I'm a chip chop  
Chip off the old block  
Le la lou la dee, chip chop  
Chip off the old block  
Mmm, yeah, that's me

When I was a boy, paw slapped his chest, this is what he said:  
"If ever I saw one in my life, this is a thoroughbred"

My boy's a chip chop  
Chip off the old block  
Le la lou la dee, chip, chop  
Chip off the old block  
Mmm, yeah, that's me

I couldn't take my eyes off you  
When you went strolling by  
Paw smiled and said he wouldn't be mine  
If he didn't have a roving eye  
I know my paw be true to maw  
All her live long days  
And I'll be true to you, darling  
'Cause I got my pappy's ways

'Cause I'm a chip chop  
Chip off the old block  
Le la lou la dee, chip, chop  
Chip off the old block  
Mmm, yeah, that's me
