

## Dear Heart

Eddy Arnold

Dear heart, I wish you were here  
To warm this night  
And dear heart, it seems like a year  
Since you've been out of my sight.

A single room, a table for one  
It's a lonesome town alright  
But soon I'll kiss you hello  
At our front door.

And dear heart I want you to know  
I'll leave your arms never more  
A single room, a table for one  
It's a lonesome town alright  
But soon I'll kiss you hello  
At our front door...
