

Faithfully

Eddy Arnold

Faithfully ray as the day may be
Somehow we always seek hope in tomorrow
Faithfully dark as the night can seem
We close our eyes and dream of a new day

Why do we have such strong belief
Oh, such a long belief in tomorrow
Because we know as long as it may be showed
Our prayers will be answered so faithfully

Why do we have such strong belief
Oh, such a long belief in tomorrow
Because we know as long as it may be showed
Our prayers will be answered so faithfully...
