

Gone

Eddy Arnold

(Now you've gone, now you've gone)
Since you've gone the moon the sun the stars in the sky
Know the reason why I cry
Love divine, once was mine, now you've gone

Since you've gone my heart, my lips, my tear dimmed eyes
A lonely soul within me cries
I acted smart, broke your heart, now you've gone
Oh, what I'd give for the lifetime I've wasted

The love that I've tasted I was wrong now you've gone
(Now you've gone, now you've gone)
Since you've gone the moon the sun the stars in the sky
Know the reason why I cry
Love divine, once was mine, now you've gone

Since you've gone my heart, my lips, my tear dimmed eyes
A lonely soul within me cries
I acted smart, broke your heart, now you've gone
Oh, what I'd give for the lifetime I've wasted

(Now you've gone) now you've gone...
