

He'll Have to Go

Eddy Arnold

Put your sweet lips a little closer to the phone
Let's pretend that we're together all alone
I'll tell the man to turn the jukebox way down low
And you can tell your friend there with you, he'll have to go

Whisper to me, tell me do you love me true
Or is he holding you the way I do
Though love is blind make up your mind I've got to know
And you can tell your friend there with you, he'll have to go

You can say the words I wanna hear
While you're with another man
If you want me to answer yes or no
Darling, I will understand

Put your sweet lips a little closer to the phone
Let's pretend that we're together all alone
I'll tell the man to turn the jukebox way down low
And you can tell your friend there with you, he'll have to go

And you can tell your friend there with you, he'll have to go..
