

## Little On The Lonely Side

**Eddy Arnold**

I'm a little on the lonely a little on the lonely lonely side  
I keep thinking of you only and wishing you were by my side  
You know my dear when you're not here there's no one to romance  
with  
So if I'm seen with someone else it's just someone to dance with  
h  
Every letter that you're sending I read a dozen times or more  
Any wonder that I love you more and more  
Oh how I miss your tender kiss and long to hold you tight  
I'm a little on the lonely side tonight, mhm...  
I'm a little on the lonely side tonight
