

## Ramblin' Rose

**Eddy Arnold**

Ramblin' rose, ramblin' rose  
Why you ramble no one knows  
Wild and wind blown that's how you've grown  
Who can cling to a ramblin' rose?

Ramble on, ramble on  
When you're ramblin' days are gone  
Who will love you with a love true  
When you're ramblin' days are gone?

Ramblin' rose, ramblin' rose  
Why I want you heaven knows  
Though I love you with a love true  
Who can cling to a ramblin' rose?...
