

She's Gone Again

Eddy Arnold

She's gone again it's not fair
And what makes it even worse is I still care
She's gone again who knows why
She never said a word about goodbye

My friends used to say she's not the kind who'll settle down
Now they can say I told you so all over town
She promised me we'd fool my friends
But I'm the only we fooled she's gone again
