

Snowfall

Eddy Arnold

I used to think when you fell in love
Bells rang and whistles blew
Like the fourth of July, but it was December
When I fell in love with you
It happened like a snowfall
It came without a sound
And when I looked the world had changed
Everything was new

I thought it was just snow fallin'
Softly comin' down
But while I held you in my arms
I was fallin', too

The sky wasn't blue the very first time
I looked into your eyes
It was heavy and gray, the middle of winter
So you took me by surprise
It happened like a snowfall
It came without a sound
And when I looked the world had changed
Everything was new

I thought it was just snow fallin'
Softly comin' down
But while I held you in my arms
I was fallin', too

I thought it was just snow fallin'
Softly comin' down
But while I held you in my arms
I was fallin', too
