

So Many Ways

Eddy Arnold

I love you, I love you, I love you
In oh so many, many ways

Your lips on mine are soft as dew
Your kisses so divine
Your eyes are like the skies of blue
And stars that brightly shine
Your voice is sweet like violins
And warm like summer days

I love you, I love you, I love you
In oh so many, many ways

Your touch is like a breath of spring
You give life to my soul
To me sweetheart you're everything
I ever hoped to hold
A smile from you lights up my heart
And brightens all my days

I love you, I love you, I love you
In oh so many, many ways

If words could say how much I care
My dear you'd be amazed

I love you, I love you, I love you
In oh so many, many ways
Yes, I love you, I love you, I love you
In oh so many, many ways (So many ways)
