

## Soul Deep

Eddy Arnold

Darling, I don't know much  
I know I love you so much  
My life depends on your touch  
And my love is a river running soul deep  
Way down inside me it's soul deep  
It's too big to hide and it can't be denied  
My love is a river running soul deep, soul deep

I work myself to death for ya  
Just to show I adore ya  
Nothing I wouldn't do for ya  
'Cause my love is a river running soul deep  
Way down inside me it's soul deep  
Too big to hide and it can't be denied  
My love is a river running soul deep, soul deep

All I ever ever hope to be  
Depends on your love for me  
Baby believe me if you do leave me  
I'd be nothing but an empty shell, I know darn well

Darling I don't know much I know I love you so much  
My life depends on your touch  
And my love is a river running soul deep  
Way down inside me it's soul deep  
It's too big to hide and it can't be denied  
My love is a river running soul deep...
