

# Turn The World Around

Eddy Arnold

Turn the world around the other way  
Back it up and stop on yesterday  
Back to before that silly fight  
And give me a chance to make things right  
I said some things I didn't mean to say  
Things that I am sorry for today  
Down on my knees I beg you please  
To turn the world around the other way  
I never really wanted us to break up  
And I'm sorry for each teardrop that you cried  
We need to give our hearts a chance to make up  
And darling will you stand in by my side  
We'll turn the world around the other way  
Back to where it started yesterday  
Just take my hand together we can  
Turn the world around the other way  
Yes we'll turn the world around the other way  
Back it up and stop on yesterday  
Just take my hand together we can  
Turn the world around the other way
