

# You'll Never Know

**Eddy Arnold**

You'll never know just how much I love you  
You'll never know just how much I care  
And if I tried I still couldn't hide my love for you  
Surely you know for haven't I told you so

A million and one times you went away  
And my heart went with you  
I speak your name in my every prayer  
If there is some other way to show that I love you

I swear I don't know how  
You'll never know if you don't know now

If there is some other way to prove that I love you

I swear I don't know how  
You'll never know if you don't know now...
