

Everybody Dance

Eddy Grant

Everybody dance, be good friends
Take your stance, oh-whoa...
Everybody dance, be good friends
Take your stance, ooh...
Shoo-be-de, do-be-de
Shoo-be-de, do-be-de

Life is nice, we've got to give each other
Sister and brother, a chance to survive
We've got to learn to care

Oh, let's dance and dance, even in the streets
Fooling around's too bad
Oh, we're gonna dance and dance
Our troubles away, yeah, yeah, oh...

Everybody dance, be good friends
(Oh, yeah, yeah, yeah)
Take your stance
Shoo-be-de, do-be-de
Shoo-be-de, do-be-de
Everybody dance, be good friends
Take your stance, yeah, yeah

The world's our oyster
If we could just conquer our fears
And our greed so bad
Then we could dance and dance
Our troubles away, yeah, yeah, yeah

Everybody dance, be good friends
(Oh, yeah)
Take your stance
Do, do, do, do, do, do, yeah
Everybody dance, be good friends
Take your stance, woo-woo-woo...

The world's our oyster
If we could just conquer our fears
And our greed so bad
Then we could dance and dance
Our troubles away, yeah
Yeah, yeah, yeah, yeah, yeah, yeah

Everybody dance, be good friends
Take your stance
Ooh, shoo-be-be, shoo-be-de
Shoo-be-de, shoo-be de
Everybody dance, be good friends
Take your stance
Yeah, dance and dance

Oh, let's dance in the streets, baby
Even in the streets
Fooling around's too bad
Oh, we're gonna dance and dance, yeah
Our troubles away, oh...

Everybody dance, be good friends
Take your stance
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Everybody dance, oh, be good friends
Take your stance

Everybody dance, be good friends
Take your stance
Everybody dance, be good friends
Take your stance

Everybody dance, be good friends
Take your stance
Everybody dance, be good friends
Take your stance...
