

Give Yourself To Me

Eddy Grant

There's nothing wrong with you, my baby
A little love won't put right
And just between you and me, baby
You're gonna work out fine
The only other thing I've gotta know
And I can't make up my mind
Why so long before you could come 'round
And let's make heaven now, my sweet baby

Give yourself to me, oh, child
I wanna love you, girl
Give yourself to me, oh, my, ooh...
Give yourself to me
Oh, my sweet darling
Give yourself to me, oh, child

You're looking mighty good, my baby
Make me feel so proud
And you are so unusual, baby
Make me come alive
The only other I've gotta know
Is where have you been all my life
Many times before, I've wonder
When the time will come and you'll be my baby

Give yourself to me, oh, child
I wanna love you, girl
Give yourself to me, oh, my, whoa...
Give yourself to me
Oh, my sweet darling
Give yourself to me, oh, child

Give yourself to me, oh, my
I wanna love you, girl
Give yourself to me, oh, child, ooh...
Give yourself to me
Oh, my sweet darling
Give yourself to me, oh, child

Don't you look sad
Don't you ever let sadness cross your face
Oh, girl, be mine
Now until the end of time, I say

Give yourself to me
Oh, my sweet darling
Give yourself to me, oh, my, ooh...
Give yourself to me
Oh, my sweet darling
Give yourself to me, oh, child
Oh, I wanna tell you, girl

Give yourself to me
Oh, my sweet darling
Give yourself to me, oh, child
I wanna love you, girl
Give yourself to me

Oh, my, my, my sweet baby
Give yourself to me, oh, child
Wanna make sweet love...
