

# I Love To Truck

Eddy Grant

Yeah!

I truck around  
Some people say I can't be good for you  
I got myself  
Too many love affairs to care for you

Oh-whoa-whoa, I love to truck  
But even so, my darling, I love you  
Oh-whoa-whoa, I love to truck  
But even so, my darling, I love you

Sometimes I get a little restless  
And I must move on  
Don't mean to say that I can't love you  
In my own sweet way

Oh-whoa-whoa, I love to truck  
But even so, my darling, I love you  
Oh-whoa-whoa, I love to truck  
But even so, my darling, I love you

Oh-whoa, I love to truck  
But even so, my darling, I love you  
Oh-whoa-whoa, I love to truck  
But even so, my darling, I love you

Oh, I love to truck  
Some people say I can't be good for you  
I got myself  
Too many love affairs to care for you

Oh-whoa-whoa, I love to truck  
But even so, my darling, I love you  
Oh-whoa-whoa, I love to truck  
But even so, my darling, I love you

Can't you hear when I'm talking to you  
I said, I love to truck, you know that I do  
Oh, my darling, I love you  
Even when I'm dreaming and I'm driving  
And I'm talking to myself  
I love to truck, you know that I do  
Oh, my darling, I love you  
Want you to see when I hold you tight, oh, darling

I love to truck, you know that I do  
Oh, my darling, I love you  
Feel, feel, feel, feel, feel  
I love to truck, you know that I do  
Oh, my darling, I love you  
I feel it in my soul sometimes when I say it

I love to truck, you know that I do  
Oh, my baby, oh, my darling  
I love to truck, I love to truck  
Oh, my darling, I love you, you, you

I love to truck, you know that I do  
Oh, my darling, I love you  
Time to get down, time to get down  
I love to truck, I love to truck  
Wanna play, wanna play, wanna play

I love to truck, I love to truck, I love you  
I love to truck, I love to truck, I love you...
