

# My Turn To Love You

Eddy Grant

Oh, my turn to love you  
And I got to do, got to do (Do, do, do it, baby, do it, child)  
My turn to love you  
And I got to do, got to do

Oh, my turn to love you  
And I got to do, got to do (Do, do, do it, baby, do it, child)  
My turn to love you  
And I got to do, got to do

If I didn't love you  
Would I turn you back the future?  
If I didn't love you  
Would I even seem to care?

Oh, turn out the lights, turn out the lights, turn out the lights  
And we can talk about it some time  
Turn out the lights, turn out the lights, turn out the lights  
This is not the place and time

Oh, my turn to love you  
And I got to do, got to do (Do, do, do it, baby, do it, child)  
My turn to love you  
And I got to do, got to do

Oh, my turn to love you  
And I got to do, got to do (Do, do, do it, baby, do it, child)  
My turn to love you  
And I got to do, got to do

When you said you loved me  
Did I even seem to flinch?  
The glow that you gave me  
And you didn't feel the pinch?

Oh, turn out the lights, turn out the lights, turn out the lights  
And tell me about your boyfriend  
Turn out the lights, turn out the lights, turn out the lights  
Yeah, he can't love you 'till the end

Oh, it's my turn to love you  
And I got to do, got to do  
Oh, it's my turn to love you  
And I got to do, got to do (Do, do, do it, do, do, do it)

Mmm, my turn to love you  
And I got to do, got to do

Oh, my turn to love you  
And I got to do, got to do (Do, do, do it, do, do, do it, child)  
My turn to love you  
And I got to do, got to do

Oh, my turn to love you  
And I got to do, got to do (Do, do, do it, baby, do it, child)  
My turn to love you  
And I got to do, got to do
