When I was standing in the thick darkness
I saw the back of you
But I couldn't hold onto you
Because you were too precious

As I welcomed you when you came back
I showed tears of joy
But I won't ever cry again
For you, who is good

Now I wanna forget everything
I only want to look into your eyes
Now I will embrace each of your small feelings
For you, it's okay if I'm in pain

I knew it wasn't love
Even your thick scent
Even your longing eyes
I knew it didn't mean anything

As I welcomed you when you came back
I showed tears of joy
But I won't ever cry again
For you, who is good

Now I wanna forget everything
I only want to look into your eyes
Now I will embrace each of your small feelings
For you, it's okay if I'm in pain

Now with the best that I can
I will only love you
