

# I Don't Wanna Talk It Over Anymore

Eddy Raven

I don't wanna talk it over anymore  
Everything we'd say we've said before  
I just wanna burn the bridge and lock the door  
I don't wanna talk it over anymore

I don't wanna be your lover or your friend  
I just wanna walk away and let it end  
I don't love you less or hate you more  
I just don't wanna talk it over anymore

I don't know all the answers I hardly know my part  
But baby, I'm just finally tired of breaking my heart  
I'm not a fortune teller but I know what lies in store  
I just don't wanna talk it over anymore

I don't know all the answers I hardly know my part  
But baby, I'm just finally tired of breaking my heart  
I'm not a fortune teller but I know what lies in store  
I just don't wanna talk it over anymore
