

Looking For Ways

Eddy Raven

The moon is already high up over Austin
When the sunset on the beach at Monterey
Living on the road like this is crazy
You being on my mind most of the day

It's been so long since you said I love you
When you can't say that there is not much left to say
I don't think you quite know how to leave me
I don't think you do, but you're looking for ways

Lookin' for ways to say it's over
Honey there's just not no easy way
I can feel the chill of change is coming
Haven't left me yet, but you're lookin' for ways

I been trying to reach you, since last Tuesday
You've been awful busy, so they say
Why you don't pick up the phone and call me
I guess it's hard to find the time, when you lookin' for ways

Lookin' for ways to say it's over
Honey there's just not no easy way
I can feel the chill of change is coming
Haven't left me yet, but you're lookin' for ways
No you haven't left me yet, but you're lookin' for ways
