

Loving Arms And Lying Eyes

Eddy Raven

It's a game you play
And you play like the player that you are
You don't ever lose
Always play the game to win
With no hope lost

And see I'm just like all your other lovers
I fell for you before I realized
You had loving arms and lying eyes

Loving arms and lying eyes
Who's gonna be with you tonight
You'll do the wrong but you're doing it right
You've got loving arms and lying eyes

So talk to me and make me think
I'm all there ever was
Then lie to me and tell me
I'm the only one you love

If I was wrong I'd move along believe me
You're all I've gotta give and it's not that easy
You've got loving arms and lying eyes

Loving arms and lying eyes
Who's gonna be with you tonight
You'll do the wrong but you're doing it right
You've got loving arms and lying eyes

Loving arms and lying eyes
Loving arms and lying eyes
