

Playing Hard To Forget

Eddy Raven

Moved out last monday morning it's been a whole week since you've left it should be easy to start my life over but you're playing hard to forget

You're playing hard to forget i'm still not over you yet you're just an old memory i can't put to rest you're playing hard to forget

I'm wondering if i don't still love you i'm feeling the pain of regret giving you up won't be easy cause you're playing hard to forget
