

Sam

Eddy Raven

Sam it's been awhile since I've seen or heard from you
Don't you think that if you tried you could write a line or two
Just few words and a note wouldn't matter what you wrote
That's just the way I am I worry Sam

Sam I don't expect for you to tell me where you've been
But I do expect you back when you're down and need a friend
I love you right even though you're wrong it never ever fails
That's just the way I am it's crazy Sam

I found nobody tried to tie you down
So I'll admit I'd like to be around
In the nights that were so cold you were there to hold
That's just the way I am I miss you Sam

Sam it's not a lot you know I never asked for much
But the least that you could do is write and keep in touch
Just a few words and a note doesn't matter what you wrote
That's just the way I am I love you Sam

That's just the way I am I love you Sam
